

Sigma Stats Workbook

NCEA Achievement Standard 1.13

Elements of Chance

**Geoff Ackerley
and Wiesje Geldof**

List of Contents

The Process of Experimental Probability	1	Expectation 1	17
Probability from Experiments 1	2	Expectation 2	18
Probability from Experiments 2	3	Define the Experimental Problem	19-20
Organising the Data	4	Plan the Experiment	21-24
Data Display 1	5-7	Display the Experimental Data 1	25-27
Data Display 2	8	Display the Experimental Data 2	28
Using Technology 1	9	Discuss the Experimental Data	29-32
Data Display 3	10-11	Theoretical Comparisons	33-34
Using Technology 2	12	Form a Conclusion	35-38
Theoretical Probability 1	13	An Investigation 1	39-40
Theoretical Probability 2	14	An Investigation 2	41-42
Theoretical Probability 3	15	Achievement Standard 1.13 - Test	43-44
Theoretical Probability 4	16	NCEA Achievement Criteria - AS 1.11	45
		Answers	46-50
