

## Action English workbooks provide detailed instruction and engaging practise exercises covering the key written language skills from the primary and junior secondary level of the New Zealand English Curriculum

The Action English workbooks give teachers a continuous series covering primary, intermediate and junior secondary classes (Years 3-10). Sigma has completed a second edition of the series which features a new *Written Comprehension* chapter based on everyday reading tasks. The second edition workbooks now contain 140 pages, enough for a full years homework.

Improve the literacy skills at your school by providing an individual workbook for all students. Put Action English on the stationery list and make a long-term difference. Parents - we sell direct to you via our website.

These best-selling workbooks include the following features :
