

Sigma's NCEA Level 1 Mathematics and Statistics workbook series is comprised of 13 titles, one for each Achievement Standard. This means students need only purchase titles taught in their class or purchase the ones being externally assessed as a revision resource.

If students want or need extra work, these are the perfect resource. Students can purchase privately via our website. All NCEA Level 1 Maths & Statistics workbooks feature :

- ◆ Detailed instruction boxes
- ◆ Plenty of Practice Questions
- ◆ AS Practise Test
- ◆ External Revision Resource
- ◆ Illustrated
- ◆ Many worked examples
- ◆ Comprehensive answers
- ◆ Buy each term - spread cost
- ◆ Good sized answer spaces
